about the topic

Have you ever been involved in Holocaust-related education/work? If yes, please describe.

Do you/does your school/institution cooperate with local Jewish communities, with other Jewish institutions or with schools in Israel? Describe.

How do you deal with the topic Holocaust and/or Israel in your lessons/your every day work?

Please describe your motivation for your application. What do you expect from this seminar (one page)?

Please note

- that the program will start on July 16 and will last up to 30, 2009 (day of departure);
- that you are required to attend each and every aspect of the seminar, including all lectures, films, pedagogical programs and any other activities as scheduled after arrival and including preparation-seminar and follow-up-seminar in Mecklenburg-Vorpommern;
- that participants have to pay extra for accommodation in a single hotel room **(please mark here if you want to book and pay on your own for a single room)**;
- that this is an educational seminar on the above mentioned topic, not a tourist stay in Israel;
- that you have to take into consideration that nearly half of lectures and workshops will be presented in English
(please mark if your English is good fair poor);
- that the stay in Israel in summer time means physical tension;
- that the course/topic demands emotional stability;
- that applicants who received a subsidy towards a study visit in Israel by the Ministry of Education the last two years will not be accepted;
(please mark if you received a subsidy yes no
- that a copy of this questionnaire will be sent to Yad Vashem as a help to prepare a suitable program.
